

DRIVEN BY POSSIBILITY™

FleetRunner™

FLEET AND HEAVY-DUTY

FLEETRUNNER™ HEAVY-DUTY WATER PUMPS

Gates FleetRunner™ heavy-duty high quality water pump fit a broad range of commercial vehicles, including a wide range of engine variants. They are easy to install and everything you need is in the box.

Install FleetRunner™ and keep your fleet on the road and out of the workshop.

ENSURE OE FIT AND FUNCTION

Gates FleetRunner™ water pumps are constructed with premium materials, computer-tooled, and fitted with a precisely balanced impeller to ensure OE fit and function. Each pump undergoes a 100% functional test of seals and bearings, and a 100% leakage test for both the casting and assembled water pump.

POWERCLEAN™ IT

Inadequate flushing can ruin a newly installed water pump resulting in frustration and warranty problems. Perform a complete cooling system flush using the PowerClean™ Flush Tool which “water hammers” accumulated sludge and scale deposits without using harsh chemicals.

Part #: 91002 – PowerClean™ Flush Tool
Part #: 91002-9 – PowerClean™ Heavy-Duty Adaptor

GO WITH GATES QUALITY

As with all our heavy-duty products, you can count on high-quality, reliable parts that will deliver worry-free operation.

- Manufactured to ISO/TS 16949 standards
- 100% fully tested unitised bearings and seals
- Warrantied for 18 months or 250,000kms/5,400 hours
- Machined surfaces for proper fit and sealing
- Includes quality O Rings / Gaskets for correct installation

 **FleetRunner™**
